

FORCE ORDNANCE

PRODUCT BOOKLET

Welcome to FORCE ORDNANCE, the newest division added to the Lightforce Australia Group of Companies encompassing Lightforce Australia, Lightforce USA (dba NIGHTFORCE Optics), Horus Vision Reticle Systems and EuroOptic Australia.

FORCE ORDNANCE, Australian made with international reach, offers:

- Design, manufacture and integration of high precision, battle-proven, small arms solutions for Military, Law Enforcement and Government.
- FORCE ORDNANCE reputation is built on over 30 years of excellence in engineering and rugged dependability, forged on the battlefield.

Our group success in Defence and with Law Enforcement agencies across the globe, has been achieved through our innovative design, stringent specifications, quality standards, and our product-support program.

We look forward to offering locally designed, manufactured and supported product for our war-fighters in the coming decades.

A handwritten signature in black ink, appearing to read 'Monika', with a long, horizontal, slightly wavy underline.

Monika Leniger-Sherratt
CEO
